

Production Stoppage Record — High Street

Production · 2025-08 · Issue 1

1. Stoppage

Field	Entry
Record	PS-2025-017
Site	High Street bakery
Date	2025-08-21
Stopped	05:40
Restarted	07:15
Recorded by	Production

Baking at the High Street bakery was stopped by the shift supervisor when the first rack of the morning was weighed and found underweight. Loaves were underweight by between 30 g and 55 g.

2. Restart

The dough pieces still to be baked were reweighed by hand and topped up. Baking restarted at 07:15. Ninety loaves from the first rack were written off.
