

Site Register

Bakery Operations · 2025-03 · Issue 7

1. Sites

Sunrise Bakery operates three sites. Each site is listed with its address and the manager responsible for it.

Site	Address	Manager
High Street bakery	14 High Street	Site manager, High Street
Riverside bakery	Unit 3, Riverside Yard	Site manager, Riverside
Station Road bakery	2 Station Road	Site manager, Station Road

A site is added to this register when it opens and removed when it closes.

2. Functions

Each site carries out the functions listed against it. A function not listed against a site is not carried out there.

Site	Functions
High Street bakery	Baking and retail sale
Riverside bakery	Dough preparation and shaping. It does not bake.
Station Road bakery	Baking, retail sale and wholesale dispatch

Shaped dough from the Riverside bakery is sent to the other two sites for baking.

3. Approved sources by site

Sources approved to deliver to each site are listed by supplier code. Supplier names and addresses are held in the supplier register and are not repeated here.

Site	Approved supplier codes
High Street bakery	SUP-0311, SUP-0407
Riverside bakery	SUP-0207, SUP-0407
Station Road bakery	SUP-0207, SUP-0311

A delivery from a source not approved for the receiving site is refused at the door.
