| Raised against | Dough divider service contractor |
| Site           | High Street bakery               |

Following the service visit to the dough divider at the High Street bakery on 2025-05-06, the divider cut pieces lighter than its setting. Loaves baked from those pieces were underweight.

## 2. Response requested

The contractor is asked to return, reset the divider and confirm the setting in writing.

The contractor attended on 2025-05-15 and reset the divider. The complaint was closed on 2025-05-16.
