

BV Series Product Catalogue

Sales Engineering · 2019-06 · Edition 4

Document ID: CAT-BV-2019

Owner: Sales Engineering

Status: Superseded

Effective date: 2019-06-01

Superseded date: 2020-01-01

1. BV series overview

The BV series comprises valve assemblies for industrial service across the nominal bore range listed in this catalogue. Assemblies are supplied complete and tested, with the seal set fitted.

This edition supersedes edition 3 and all earlier editions. Specifications are those current at the date of issue and are subject to change without notice. Confirm current specification with Sales Engineering before ordering.

Model	Nominal bore	Port	Mass	Order code
BV-10	20 mm	G 1 1/4	4.3 kg	C-9272
BV-11	50 mm	NPT 1	4.5 kg	C-5761
BV-12	50 mm	G 1	1.5 kg	C-6517
BV-13	50 mm	G 1 1/4	3.1 kg	C-5046
BV-14	15 mm	BSPP 1	4.3 kg	C-4430
BV-15	32 mm	BSPP 1 1/4	1.9 kg	C-2202
BV-16	20 mm	G 3/4	4.5 kg	C-7838
BV-17	32 mm	G 3/4	3.5 kg	C-3905

Assemblies are identified by model designation and order code. The order code is the ordering reference and should be quoted in full. Model designation alone is not sufficient to identify a configuration.

Model	Nominal bore	Port	Mass	Order code
BV-18	50 mm	BSPP 1	2.2 kg	C-5706
BV-19	25 mm	BSPP 1	1.1 kg	C-2676
BV-20	20 mm	G 1/2	3.1 kg	C-2471
BV-21	25 mm	G 1/2	3.7 kg	C-5099
BV-22	32 mm	NPT 1/2	3.1 kg	C-1315
BV-23	20 mm	NPT 1 1/4	2.1 kg	C-8522
BV-24	32 mm	NPT 1 1/4	1.9 kg	C-3367
BV-25	15 mm	BSPP 1	3.6 kg	C-9051

Materials of construction are stated in section 2 by assembly group. Where an assembly is available in more than one material configuration, each configuration carries a distinct order code.

Model	Nominal bore	Port	Mass	Order code
BV-26	15 mm	NPT 1 1/4	2.9 kg	C-1892
BV-27	15 mm	NPT 1 1/4	4.4 kg	C-7010
BV-28	40 mm	BSPP 1 1/4	4.0 kg	C-5364
BV-29	15 mm	NPT 1	3.3 kg	C-1491
BV-30	32 mm	BSPP 1 1/4	2.9 kg	C-4019
BV-31	25 mm	NPT 1	2.2 kg	C-1978
BV-32	40 mm	NPT 3/4	3.0 kg	C-3021
BV-33	20 mm	NPT 1/2	3.5 kg	C-4358

Assemblies not listed in this edition have been withdrawn and are not available to order. Service items for withdrawn assemblies remain available for the period stated in the service policy.

2. Specifications

Specifications are stated by assembly group. Values are nominal and apply at the reference condition stated in the general notes.

Group	Body material	Seal set	Connection
BV-10 to BV-15	Cast body	Standard	Threaded
BV-16 to BV-22	Cast body	Standard	Threaded or flanged
BV-23 to BV-28	Fabricated body	Heavy duty	Flanged
BV-29 to BV-33	Fabricated body	Heavy duty	Flanged

Pressure ratings are stated on the assembly nameplate and on the test certificate supplied with each unit. Ratings are not reproduced in this catalogue.

Group	Body finish	Fastener finish	Nameplate
BV-10 to BV-15	Painted	Plated	Riveted
BV-16 to BV-22	Painted	Plated	Riveted
BV-23 to BV-28	Coated	Plated, heavy	Welded tag
BV-29 to BV-33	Coated	Plated, heavy	Welded tag

Dimensional drawings are available on request from Sales Engineering. Drawings are issued against the order code and are not available against the model designation alone.

Group	Handling	Storage	Shelf life, seal set
BV-10 to BV-15	Single person	Dry, racked	36 months
BV-16 to BV-22	Two person	Dry, racked	36 months
BV-23 to BV-28	Mechanical	Dry, palletised	36 months
BV-29 to BV-33	Mechanical	Dry, palletised	36 months

Seal sets held beyond the stated shelf life should be replaced before the assembly is placed in service.

3. Ordering

Orders should quote the order code in full, the quantity required, and the delivery address. Orders quoting a model designation without an order code will be referred back.

Order element	Required	Notes
Order code	Yes	In full, as listed
Quantity	Yes	Minimum order applies
Delivery address	Yes	Site and contact
Required date	No	Best endeavours if omitted

Minimum order quantities apply by assembly group and are confirmed at quotation. Lead times are quoted at order acknowledgement and are not stated in this catalogue.

Group	Minimum order	Packaging
BV-10 to BV-15	10	Cartoned
BV-16 to BV-22	5	Cartoned
BV-23 to BV-28	2	Crated
BV-29 to BV-33	1	Crated

Returns are accepted only against a returns authorisation issued by Sales Engineering. Unauthorised returns are refused at the receiving point.

Enquiries should be directed to Sales Engineering quoting this edition.
