

Record of Appointments

Human Resources · 2026-01 · Revision 6

1. Appointments by role

This record lists appointments to roles carrying formal responsibility, with the period each appointment was held. It is maintained by Human Resources and reissued annually or on a material change to the structure.

Roles are listed under the title in use at the time of the appointment. Where a role was renamed or discontinued at the functional reorganisation, the entry records the title in use during the period held.

Role	Holder	From	To
Director of Engineering Quality	Dr. Helga Brandt	2023-05	2025-02
Head of Product Integrity	Martin Ostermann	2025-03	current
Director of Manufacturing Operations	Petra Lindqvist	2022-09	current
Head of Supplier Quality	Jonas Weiler	2024-03	current
Head of Certification	Ana Ferreira	2021-11	current
Director of Procurement	Stefan Roth	2023-01	current

The Director of Engineering Quality role was discontinued at the functional reorganisation. Responsibilities attaching to the role were distributed across the structure established at that point.

The Head of Product Integrity role was established at the functional reorganisation and had no holder before the date shown.

Role	Established	Discontinued
Director of Engineering Quality	2019-04	2025-02
Head of Product Integrity	2025-03	—

Where a role was vacant, the period is shown as a gap between appointments. No acting appointments were made to the roles listed in this section during the periods shown.

2. Historic appointments

Appointments concluded more than three years before the date of this revision are listed here for reference. Entries are retained for the statutory period and are not maintained thereafter.

Role	Holder	From	To
Director of Engineering Quality	Wilhelm Auer	2019-04	2023-04
Head of Supplier Quality	Marta Nowak	2020-06	2024-02
Head of Certification	Ana Ferreira	2021-11	current
Director of Manufacturing Operations	Karl Simmerding	2018-02	2022-08

Enquiries regarding an appointment not listed here should be directed to Human Resources, quoting the role and the approximate period.

The record does not state the responsibilities attaching to any role, nor any authority conferred on it. Those are held in the instruments governing them and are maintained by the functions issuing those instruments.
